Knowledge, Expertise and Safety

At Flawless Aesthetic Clinic, you can be confident in my dedication to achieving the best and most natural-looking results for you.

With a wide range of options in the expanding aesthetic market, I prioritise using reputable and trusted brands and techniques to guarantee top-notch care and the highest standards.

As a Registered Nurse with over 18 years of experience in the Aesthetic Industry, I am based in a well-equipped medical clinic, ensuring that you are in capable hands.

Facial Treatments

Following careful facial assessment the, highest quality products are recommended and tailored advice about home care of your skin as well.

I have experience in all skin conditions.

Medical Non Surgical Injectable options are
Wrinkle relaxation (botulinum toxin)

Dermal Fillers

Mesotherapy

Skin Boosters

Skin Treatments include

Chemical Resurfacing

Microneedling

Body Treatments

Intralipotherapy (Deso) is an injectable treatment that dissolves small area of fat. For people struggling with weightloss I also offer a consultation and prescription clinic for medication for people above BMI of 27.

Stretch marks and scars can be effectively treated with micro needling on the abdomen and leg areas.

I also can help with prescribed weight loss treatment for those who have tried normal diet and exercise and are struggling to get to their next goal.

General wellbeing

As a Registered Nurse, my Clinic is equipped to provide health monitoring tests.

I can request blood screening for numerous conditions and either prescribe necessary medication for you or refer to colleagues and your GP if you need ongoing support.

I also have an interest in holistic health approaches I can also advise on issues with menopausal symptoms, sleep problems and emotional issues.
